

AMNERIS LOPEZ

DIGITAL MARKETING AND CREATIVE LEAD

SUMMARY

Digital marketing and creative lead with 6+ years across social media, broadcast media, and brand storytelling. I own the full content ecosystem for four brand accounts, covering strategy, voice, daily production, and paid amplification. I bridge creative direction and hands-on execution for bilingual (EN/FR) markets. From hosting live radio to leading product campaigns, I have grown audiences, managed influencer and sponsor partnerships, and turned creative vision into measurable engagement.

EXPERIENCE

SOCIAL MEDIA & DIGITAL MARKETING SPECIALIST (CREATIVE LEAD) New Roots Herbal | Aug 2022 - Present

- Own the end-to-end social media ecosystem for 4 brand accounts (New Roots Canada & USA, Vitazan, and Jolly More), adapting voice and strategy to each market.
- Produce and edit daily bilingual (EN/FR) assets (short-form video, carousels, and campaign visuals) for product launches, seasonal campaigns, and practitioner education.
- Apply prompt engineering to accelerate production with generative AI, generating video and image assets with Gemini and pairing Claude with Canva for visual and video design.
- Run paid social through Meta Ads Manager and TikTok Ads, boosting top-performing content to extend reach around key launches.
- Lead monthly marketing meetings and manage influencer partnerships, pitching concepts and coordinating collaborations for key campaigns.
- Track KPIs (engagement, link clicks, ROI) and adapt the content strategy based on performance data.

SOCIAL MEDIA SPECIALIST

Royal LePage Mellor Group | Aug 2021 - Aug 2022

- Managed the agency's official social media accounts, creating, scheduling, and publishing daily content to highlight property listings and agency updates.
- Guided newly licensed brokers in launching their digital presence, mentoring them on hands-on strategies to create engaging real estate video content.
- Conducted one-on-one sessions to design personalized mood boards, helping each broker define a unique visual aesthetic and content direction.
- Pitched and conceptualized the agency's first real estate podcast, collaborating with the team on its successful launch and contributing editorial topics.
